TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

The polls will be open from 10:00 to 6:00 P.M.

To the Inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Strafford Elementary School in said Strafford on Tuesday, the Thirteenth (13) day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

- ** 1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To consider the adoption of Amendments to the Land Use and Zoning Ordinance as proposed by the Planning Board. These items appear on the official ballot.

**NOTE: All articles except No. 1 and No. 3 will be taken up at 8:00 P.M. Tuesday, March 13th, 1984 at the Elementary School.

4. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State Local Assistance Act of 1972 for use as set offs against budgeted appropriations for the following specific purposes and in amounts indicated herein or take any other action thereon:

APPROPRIATION	AMOUNT
Ambulance	\$1,000
Fire Department	\$1,000
Library	\$1,000
Police Department	\$1,000
Rural Health	\$1,000

5. To see if the Town will raise and appropriate \$12,450 for the operation and maintenance of the Police Department. (\$1,000 from Revenue Sharing).

6. To see if the Town will raise and appropriate the sum of \$5,950 as the Town's share of the cost of providing ambulance service by the Center Barnstead Fire Department (\$1,000 from Revenue Sharing).

7. To see if the Town will raise and appropriate \$150,000 for Highways and Bridges.

8. To see if the Town will raise and appropriate \$5,860 for the support of the Rural District Health Council. (\$1,000 from Revenue Sharing).

9. To see if the Town will raise and appropriate \$2,000 for maintenance and supplies for the rescue vehicle.

10. To see if the Town will raise and appropriate \$1,000 for training purposes for members of SMERT.

11. To see if the Town will raise and appropriate \$500 to purchase and install an electric garage door opener, to be installed on the Bow Lake Fire Station where the rescue vehicle is garaged.

12. To see if the Town will raise and appropriate \$300 for support of the Conservation Commission.

13. To see if the Town will raise and appropriate \$7,070 for the operation and maintenance of the Strafford Library. (\$1,000 from Revenue Sharing).

14. To see if the Town will raise and appropriate \$1,100 to help defray the cost for a water quality testing program for Bow Lake being conducted for the Bow Lake Camp Owners Association by the University of New Hampshire. Total cost of this project is \$2,200. By Petition.

15. To see if the Town will vote to accept Parshley Lane as a town road. Parshley Lane meets all the requirements for a town road.

16. To see if the Town will vote to accept as a public road the following:

a. Barberry Lane in Whig Hill Estates approximately 1100' in length.

b. Beaver Brook Drive in Whig Hill Estates approximately 900' in length.

c. Ledgewood Drive in Whig Hill Estates approximately 600' in length.

d. Sunny Oaks in Whig Hill Estates approximately 500' to Lot S-3.

All of the above roads are built to Town Road standards and completed.

17. To see if the Town will vote to accept approximately 1060 feet of the Garland Road starting just beyond the old Trudembach home and ending at the Strafford-Northwood town line. By Petition.

18. To see if the Town will raise and appropriate the sum of \$13,585 to operate and maintain the Strafford Fire Department. (\$1,000 from Revenue Sharing).

19. To see if the Town will authorize the sum not to exceed \$100,000 for the purchase of a new combination pumper/tanker in 1984, purchase equipment for the truck and to repair existing apparatus. \$35,000 to be raised and appropriated in 1984 and the balance to be borrowed from one of the Rochester banks to be repaid in two equal annual payments.

THE FOLLOWING ARTICLE TO BE OMITTED IF ARTICLE 19 PASSES

20. To see if the Town will raise and appropriate \$40,000 for the needed maintainance and safety repairs to the existing equipment of the Strafford Fire Department.

21. To see if the Town will vote to restrict the use of the beach at Bow Lake Dam to Town residents or others by permit only as determined by the

Recreation Commission and further to empower the Recreation Commission to devise measures to enforce this restriction and further will the Town vote to appropriate \$2,000 for a fence and \$1,000 for personnel to implement this article.

22. To see if the Town will raise and appropriate \$4,650 for the support of the Recreation Commission.

23. To see if the Town will raise and appropriate \$15,000 for Public Welfare.

24. To see if the Town will raise and appropriate \$30,000 to operate and maintain the Town's solid waste disposal center.

25. To see if the Town will raise and appropriate \$300 as a donation to the Bow Lake Community Club to help defray the cost of the Fourth of July fireworks display.

26. To see if the Town will raise and appropriate \$300 for the observance of Memorial Day.

27. To see if the Town will raise and appropriate \$500 for the support of the Strafford County Community Action Program.

28. To see if the Town of Strafford will consider a noise ordinance, specifically no construction work before 7 o'clock A.M. By Petition.

29. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal, or other governmental unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 21:95b.

30. To see if the Town will vote to authorize prepayment of resident taxes and to authorize the Tax Collector to accept pre-payments as provided by RSA 80:1a.

31. To see if the Town will vote to authorize the Selectmen to convey property or tax liens acquired by the Town by Tax Collector's Deed, by public auction, or advertised sealed bid or in such other manner as determined by the Selectmen or as justice may require.

32. To see if the Town will grant a 2% discount on taxes paid within ten days of the mailing of the tax bill.

33. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

34. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and eighty-four.

TOWN MEETING — MARCH 08, 1983

At the legal Town Meeting of the inhabitants of the Town of Strafford in said State, the following action was taken on the Warrant on Tuesday, March 08, 1983.

The meeting, held at the Strafford Elementary School in Strafford was called to order at 10:00 A.M. by Moderator Russell Shillaber. The Polls were declared open for voting on Article 1 from 10:00 A.M. to 6:00 P.M., with all other articles to be taken up at 8:00 P.M. of the same day.

1. The following officers were declared elected:

Registered voters	980	
Votes cast	379	
Selectman, 3 years	Albert Leighton	325
Treasurer, 3 years	Bertha Huckins	326
Tax Collector, 3 years	Marjorie Stiles	366
Town Clerk, 3 years	Billye Waldron	332
Library Trustee, 3 years	Anne Tabor	326
Trustees of Funds, 3 years	Justine Leighton	19
Auditor, 2 years	Stephen Seeman	336
Road Agent, 1 year	Radford Messenger	295

The Moderator declared all articles to be properly before the meeting and seconded, except where otherwise specifically proceeded.

2. To raise such sums of money as may be necessary to defray Town charges for the year and make appropriations for the same. Motion by Albert Leighton to move the vote on this article to the end of the meeting. The motion was seconded and the vote on the motion was in the affirmative.

3. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Fund established under the provisions of the State Local Assistance Act of 1972 for the use as set offs against budgeted appropriations for the following specific purposes and in the amounts indicated herein or take any other action thereon:

<u>Appropriation</u>	<u>Amount</u>
Ambulance	\$2,000
Fire Department	1,200
Library	1,000
Police Department	2,000
Recreation Commission	300
Rural Health	1,000

No discussion on motion, vote in Affirmative.

4. To see if the Town will vote to raise and appropriate \$30,000 to convert a portion of the Bow Lake Firehouse into Town Office Space and make the present Town Office available to the Strafford School District for school use. After lengthy discussion a motion was made and seconded to terminate discussion. The vote on the motion to terminate was a two thirds vote in the affirmative. Vote 155 For, 91 Against.

At this point, the Moderator announced that since he had received two five signature petitions respectfully requesting secret ballot votes on both Articles 4 and 16, the meeting would move to Article 16 at this time for debate so that both votes might be cast at once to save time.

16. To see if the Town will raise and appropriate \$64,843 to purchase and equip a 1983 FMC Roughneck Pumper consisting of a 750 G.P.M. pump and a 1000 gallon tank. Lengthy discussion, question moved by two thirds vote. Negative vote. 160 against, 80 for.

5. To see if the Town will raise and appropriate \$12,000 for the operation and maintenance of the Police Department. (\$2,000 from Revenue Sharing) No discussion. Vote in affirmative.

6. To see if the Town will raise and appropriate \$5,541 as the Town's share of the cost of providing ambulance service by the Center Barnstead Fire Department. (\$2,000 from Revenue Sharing) Vote in affirmative.

7. To see if the Town will accept Town Road Aid and appropriate \$1,000.58 to which the State of New Hampshire will contribute \$6,670.55. Vote in affirmative.

8. To see if the Town will raise and appropriate \$125,000 for Highways and Bridges. Vote in Affirmative.

9. To see if the Town will approve and appropriate money for a change in the Town Clerk's salary from \$750 to \$1,000 per year. Vote in affirmative.

10. To see if the Town will vote to pay \$4.50 per hourly labor. Vote in affirmative.

20. To see if the Town will raise and appropriate \$200 as a donation to the Bow Lake Community Club to help defray the cost of the Fourth of July fireworks display. Vote in the affirmative.

21. To see if the Town will raise and appropriate \$3,000 for the support of the Recreation Commission (\$300 from Revenue Sharing). Motion by John Penny to amend article to read: To see if the Town will raise and appropriate \$3,600 for the support of the Recreation Commission (\$300 from Revenue Sharing). Vote on motion to amend in affirmative. Vote on motion as amended in affirmative.

22. To see if the Town will raise and appropriate \$5,577 for the support of the Rural District Health Council (\$1,000 from Revenue Sharing). Vote in affirmative.

23. To see if the Town will vote to appropriate \$20,000 to operate and maintain the Town's solid waste disposal center. Lengthy discussion. Motion by Don Black to move the question. Vote on motion in affirmative by 2/3 majority. Vote on article as read in affirmative.

24. To see if the Town will exempt the Crown Point Grange Hall and the Bow Lake Grange Hall (Now the property of the Bow Lake Community Club) from the list of taxable property. Both are non-profit organizations. (By Petition) Vote in affirmative.

25. To see if the Town will vote to go on record in support of immediate action by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Strafford and to the health and welfare of the people of Strafford. (By petition) These actions shall include:

1. Reduce by at least half the major causes of acid rain, sulfur dioxide emissions by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada, that will commit both nations to the same goal. The record of the vote on this article shall be transmitted to the N. H. Congressional Delegation and to the President of the United States.

Vote on this motion in the affirmative.

26. To see if the Town will vote to accept Parshley Lane as a Town Road. Parshley Lane meets all specifications for sub-division roads. (by petition) After lengthy discussion, motion was made and seconded to move question. Vote on motion to move the question in affirmative by 2/3 vote. Vote on article as read was in negative.

27. To see if the Town will vote to accept as a public road the following: Barberry Lane, in Whig Hill Estates, approximately 1100' in length. This road was built to town standards and completed in 1980 in gravel. Town to accept pending tar surface during summer of 1983. Beaver Brook Drive, in Whig Hill Estates, approximately 900' in length. This road built to town standards and completed in 1980 in gravel. Town to accept pending tar surface during summer of 1983. Ledgewood Drive, in Whig Hill Estates, approximately 600' in length. This road was built to town standards and completed in 1980 in gravel. Town to accept pending tar surface during summer of 1983.

taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:1a. Vote in affirmative.

32. To see if the Town will vote to authorize the Selectmen to convey property or tax liens acquired by the Town by tax collector's deed, by public auction, or advertised sealed bid or in such other manner as determined by the Selectmen or as justice may require. Vote in affirmative.

33. To see if the Town will grant a 2% discount on taxes paid within ten days of the mailing of the tax bill. Vote in affirmative.

34. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes. Vote in affirmative.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Albert Leighton made the motion that \$56,250.00 be raised to defray town charges and make appropriations of the same. There was no discussion and the vote was in the affirmative.

35. To transact any other business that may legally come before the meeting. Raymond Richardson made the following resolution and asked that it be put to a vote. The Moderator asked for a vote from all who in spirit approve. The vote was affirmative.

Be it known that we, the Taxpayers of the Town of Strafford, N. H. assembled on this 8th day of March, 1983, do petition the 1983 Legislature to respectfully consider the abolition of all Real Estate taxes for the elderly during the last years of life's span and exempting only the very wealthy. We submit this not on the basis of compassion, but on the basis of deservedness. We believe that there should be a time in life when every taxpayer, who over the years has provided community support so willingly and faithfully, has earned a reprieve from Real Estate Taxes.

Respectfully submitted for your consideration.

Albert Leighton asked that a vote of thanks be given Phyllis Lynbourg for her many years of service to the Town as Town Clerk and Treasurer. A standing ovation was given, and a suggestion was made that the next year's Town Report be dedicated to her, for her many years of service to the Town. Don Black made a motion to adjourn the meeting, it was seconded, and the vote was in the affirmative.

STRAFFORD CONSERVATION COMMISSION

The Conservation Commission reviewed a number of dredge and fill permits. There has been correspondence with the State Wetlands Board concerning some applications.

* Rae Berry attended Conservation Camp this summer. Rae was jointly sponsored by the Conservation Commission and the Women's Club.

Corey Colwell of Strafford was the summer forestry intern. He carried

out numerous improvements on the Storer Tract under the supervision of Neil Mooers. His improvements included construction of a new gate, rehabilitation of the roadside spring, clearing trails and working on the scenic vistas, and yarding cordwood. Thank you Corey for a job well done.

John Bozak's Forestry Class from the Thompson School of Applied Science constructed two new waterbars on Parker Mountain.

Approximately eight cords of wood cut on town land was distributed to the elderly.

Thanks to Coe Brown's FFA group the various conservation properties have new signs. They also installed the wood duck boxes.

The members of the Commission enjoyed a Forestry Walk at the Urban Forest Center in Portsmouth during Forest Conservation week in May. We also hiked from Route 126 across the ridges to Bow Lake where iced tea and fresh fruit awaited us at the Evans' house.

During the year the adult book circulation has increased but the children's and youth book circulation has gone down. This has mainly been the result of the elementary school classes not coming to the library as often this fall. With a change of time from Friday afternoon to Thursday morning it is hoped the school will find it more convenient.

Your Librarian took her seventh Public Library Techniques course this fall, "The Library as an Information Center". As a result she has started to develop the reference collection with the hope it will serve the needs of the community.

The State Library Van no longer brings books from the State Library. That service ceased last summer when the State closed its district office and

storage facility in Loudon and all the books were given to the libraries throughout the state. We were allowed to keep all those in our possession at the time.

Non fiction books can still be requested from the State Library. There is still inter library loan.

RALI, Rochester Area Libraries, makes for very good relations between the libraries in the area and has been a big help to us all. Besides the cooperative book ordering program we have other services. Book binding at a reduced rate was offered so we had the rest of our town reports bound. Iva Stiles paid for having this done. We now have every year since 1882.

RALI purchases new films and cassettes each year and they are available for our use. Along with these media materials we have added to our own collection and their circulation is increasing. RALI will be meeting at the Hill Library in June.

Tim Brown has continued work on the historical albums. They are available in the library for viewing, a very popular item in fact.

Our volunteers this winter have been Harriet Lundberg, Marjorie Stiles, Marilyn Lynch, Katherine Steward and Virginia Gustafson with Jeanne Groth and Phyllis Blodgett as substitutes. Wendy Dahlgren has been the school volunteer. Thursday nights last summer our volunteers were Anne Tabory, Bernice Omand, Katrina Rhodes and Phyllis Blodgett. Without these dedicated people we would not be able to be open as long. Phyllis Blodgett has done a great job mending many books.

Our many patrons and Friends have been very generous giving us books, magazines and other materials.

It has been a good year with many new people using our services. We hope many more of you will come in, get acquainted and see what we have to offer.

The Strafford Fire Department had a busy year. With the past summer being so dry we were very fortunate that we did not have any serious fires. Our number of calls neared that of last year.

The Department has lost some valuable members this past year due to relocation and job changes. The members and I thank those people for all their time, hard work, and dedication.

Even though we have lost these people we have not declined in membership. Some of those who have now joined the Department have come to us with experience from other fire departments.

During the past year some of the Fire Dept. equipment has undergone major repairs. The truck at Bow Lake has received a new motor. Both the Crown Point and Center trucks have had major brake work done and are still in need of work.

Once again this year the Fire Department Rescue Squad, and Fire Aux. will be putting on a beef stew supper. With your support this will be another successful event.

I would like to thank those of you in Strafford who have given us your support this year. Thank you.

REMEMBER, SMOKE DETECTORS DO SAVE LIVES.

REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before

kindling the fire. Any person who does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

1983 ANNUAL REPORT RECREATION COMMISSION

Fine warm summer weather prevailed throughout the eleven week season maintaining continuously high attendance. The usual cold winds and rain of August was absent. Weekday attendance averaged 86 and weekends 133. The highest count of 400 plus occurred on July 4th, the day of the races.

Mary Jane Kelley of Barrington returned as lifeguard for the second season. William Tothill, a U.N.H. student from Barnstead was the instructor. There were 73 registrants for the swim lessons which produced \$639 in income. 54 participants received Red Cross participants.

The Commission thanks Rich & Kerry Omand of Strafford Machine Corp. for constructing and donating the new lifeguard chair; and Dave Whitcher for donating the concrete installation.

The Selectmen appointed Rich Omand to replace Bob Omand on the Commission.

REPORT OF DOG OFFICER

During the year 1983 I answered 52 dog complaints and transported 14 dogs and 8 cats to the Dover Animal Shelter.

Six restraining orders were issued and I investigated three reports of dog bites.

Three dogs were disposed of that were killed by automobiles.

I traveled a total of 864 miles during the year 1983.

Respectfully submitted,

Andrea Crosby

**MEDICAL EMERGENCY RESCUE TEAM
ANNUAL REPORT 1983**

This is the first year that we have issued an annual report. We felt that we should keep the residents of Strafford informed of our status and changes on a year to year basis. Since our conception in April of 1981 we have experienced increases each year in the amount of calls that we have responded to. For the year of 1983 we had a total of 56 calls, with a breakdown as follows:

Medical Emergencies	34
Auto Accidents	8
Fire Standbys	11
Mutual Aid	<u>3</u>
TOTAL.....	56

There were a few changes during 1983. We achieved a goal of becoming a team with 100% of our membership being trained at a minimum level of basic Emergency Medical Technician, (EMT). Also 80% of our membership has advanced to the level of EMT-1. We hope to be able to maintain this level of proficiency.

Due to the vast change in our membership, we moved the rescue vehicle from the Center Strafford Fire Station to the Bow Lake Fire Station. 90% of our members reside in or near the Bow Lake area.

SMERT was also able to take a lease/purchase agreement on twelve portable pocket pagers. There was considerable time, thought and testing done prior to our purchase of these pagers. Due to the fact that these are portable units and they do not have external antennas, we had to change our dispatching services. This was done at no additional cost to the town. It also resulted in the phone number for EMERGENCY AMBULANCE service to change. We are now being dispatched by the Strafford County Dispatch Center in Dover, N. H. The new number for EMERGENCY AMBULANCE service is 742-4968. This is also the same number for the Strafford Police Department. New Telephone stickers are available showing this change. Contact any member of SMERT, Fire, or Police if you are in need of these stickers.

This year we transported a total of twelve patients to area hospitals. Each time that we transported a patient there were exceptional circumstances involved with those particular calls.

We would like to thank the many people, organizations and businesses that have given us donations throughout the past three years. This helped us to add many new pieces of equipment, and by doing so we were able to have the rescue vehicle licensed as an ambulance by the State of New Hampshire.

At present we have only a total of ten members responding to calls. We will have twelve members responding when our two new members complete their EMT course. As you can see, we are still in dire need of more members if we are to continue to progress ahead. If you are interested in joining or if you have any question, please call 664-2668 or contact any member of SMERT.

Donald Davis, Captain

PLANNING BOARD REPORT — 1983

The Planning Board has held twelve (12) regular monthly meetings to consider applications for subdivision approval. Of the two (2) pending applications already under consideration and the eight (8) new applications received; eight (8) were approved, one (1) was denied and one (1) was still pending as of December 31, 1983. We, also, approved three (3) applications for boundary adjustments and accepted six (6) plans for signing and recording purposes only, which included perimeter surveys and corrected plans.

In addition to the regular monthly meetings, one (1) executive session was held to discuss a pending application and four (4) work sessions were held to prepare and review proposed amendments to the Subdivision Regulations and the Zoning and Land Use Ordinances of the Town.

TENTATIVE STRAFFORD SCHOOL DISTRICT WARRANT

To the Inhabitants of the School district in the town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford Elementary School in said district on the 6th day of March 1984, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

2. To see if the school district will vote to raise and appropriate in addition to the original 1983-84 appropriation a sum of twelve thousand dollars (\$12,000) to be made available to the school district prior to July 1, 1984 in order to meet unanticipated obligations caused by mandated special education tuition expenditures. (Deficit appropriation)

3. To see if the school district will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be deposited in the Capital Reserve Fund established by vote of the 1983 Annual School District Meeting in accordance with the provisions of RSA 35 to be used for future capital improvements to the School.

4. To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the school district.

5. To see if the school district will authorize the school board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies; and/or other sources in accordance with the provisions of RSA 198:20-b.

6. To choose agents and committees in relation to any subject embraced in this warrant.

7. To transact any other business which may legally come before this meeting.

To the Inhabitants of the School district in the town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 13th day of March 1984, at 10:00 o'clock in the forenoon, to act upon the following subjects:

SCHOOL NURSE REPORT STRAFFORD ELEMENTARY SCHOOL 1982 - 1983

As the emphasis on "Good Health" continues to expand in our nation, so does our Health Program expand. However, with the time allotted to the School Nurse, it is becoming increasingly difficult to meet the needs of the school.

The yearly vision, hearing, weight, height and scoliosis screening was completed on all students. Pediculosis checks were also performed following summer and Christmas vacations. The Dental Program, formerly sponsored by S.A.Y. was finally discontinued this year due to both the unavailability of willing hygienists and the low number of expected participants.

We expanded our Health Education in several ways. The 6th grade, in conjunction with Mrs. Sukduang's science class, held a Health Fair which was very successful. Many of the students had excellent projects. The 6th graders also started a semester-long unit on "The Family" which was informative and gave way to interesting discussions.

The 7th grade spent first semester watching and discussing a 15 minute T.V. program dealing with normal problems of early and preteen years. The second semester emphasis was on physical fitness.

I attended a special two-day workshop sponsored by the N. H. Heart Association instructing us in how to teach an education program entitled "Have a Healthy Heart". We applied for a grant from the N.H.H.A. which would allow us to teach the program to grades 5 - 8. We did receive enough grant money for materials. As a result, we will try to incorporate parts of the program into our health curriculum.

At the close of another gratifying year, I would like to thank the ever-supportive staff here at school, the community, and S.A.Y. for their contribution of Current Health Magazine and films for the Pediculosis program.

Respectfully submitted,

Nancy Reynolds, R. N.
School Nurse

I believe the year 1983 will be remembered as a significant one for the American public school system. As in the case with many social forces, public dialogue concerning education moves in cycles with the importance and performance of our schools receiving varying degrees of emphasis and visibility. As a result of the numerous national reports concerning the state of education in our Nation, we are exposed to a trend in the media focusing on deficiencies in education. We read of teacher shortages, use of poorly qualified teachers, decreasing achievement test scores, declining pupil interest in math and science and calls for a longer school day and year and merit pay for teachers. It is interesting to note that in 1947, a New York Times article written on the quality of science teaching in the United States stated, "This country can easily lose its leadership in science achievement unless it seeks and trains those who can maintain it." I believe the dilemma facing education in the country is not a new one, but rather composed of challenges similar in scope and focus to previous periods of educational crisis. There is no question in my mind that: a) we are faced with teacher shortages; b) we are forced to employ less than fully qualified teachers in certain critical areas; c) we have experienced a trend of declining interest in science and math among our student population; d) we are underpaying the majority of our teachers who are highly qualified and dedicated; e) we are not placing sufficient importance or value on the role of the principal as an instructional leader; and f) our elected leadership has placed very little importance on education in the last ten years. In order to design a response to the warning signs confronting public education identified by national experts and leaders, we have to understand the forces that have placed us in our present position. Albert Shanker in one of his recent New York Times articles aptly identified at least one of the key forces which has contributed to the present state of education when he quoted Donna Kerr, a noted university expert on teacher education in the United States. She wrote: "A society's political and economic forces determine in what pursuits intellectual virtuosity will be rewarded. Neither with status nor with prestige nor with money do we reward teaching.....there is a disturbing duplicity in a society that itself fails to create the conditions that would foster teaching competence and then complains of incompetent teachers. Our teaching corps can be no more competent than we make it." While I believe that Kerr's evaluation is valid, the present state of affairs in education is not simply the result of society's failure to place importance on improving standards for teacher preparation or maintaining respectable teacher salaries. In

many respects, I believe trends and practices have existed which have made inefficient use of the resources available to our school system. American society must renew its commitment to excellence in all areas of school endeavor; administration, instruction, program development and evaluation, school/community communication and the agendas of our elected leaders.

Within the context of the above comments, I am pleased to report that we have consistently placed priority on instructional excellence and quality in School Administrative Unit #44. During the course of the last eight years our basic instructional program, based on Science Research Association test results, seems to be very strong. We have compared the averages of the past four years versus the previous three years in the areas of math, reading and language arts and find that the School Administrative Unit average at the eighth grade level showed an average gain of 19 percentiles between the two periods of time for the areas of math and reading, which is considered statistically significant. Language art scores at the eighth grade level over the same period of time reflected an increase of 22 percentiles. I believe our emphasis on developing a core curriculum six years ago has played a significant role in the present strength of our basic instructional program.

One of my many objectives for the Unit in past years has been to design and develop programming for the more academically accomplished student. I am pleased to report that our school boards voted to accept the recommendation of this office to establish a Summer Institute program. Our first Institute became a reality this past year. The program involved approximately 66 students and 19 teachers and was designed to give the children exposure to the development of higher level thinking skills. The program seemed to be well received by all involved and has been formally approved by our school boards for the coming summer. I am extremely pleased with the development of this program and the support given it by our school boards.

While there are many aspects of the educational process in Strafford which should make us proud, there are areas of need and as I have stated in previous reports, I believe it is the responsibility of your Superintendent to keep the system's needs in focus for the voters. I believe that we must strengthen the library component of the system and give strong consideration to establishing a public kindergarten. There is considerable research such as the Ypsilanti Perry Preschool Project, the Minnesota Early Learning Design in Minneapolis/St. Paul and other studies which underscore the importance not only to the child, but to the taxpayer and society, of public preschool education. According to the Ypsilanti Perry Project report, for every \$1,000 that was invested in the preschool program, at least \$4,130 has been returned to society in the form of reduced costs for special education, legal processing for delinquent behavior and increased earnings of par-

ticipants. Students who experienced the preschool program subsequently averaged 1.8 years of special education, whereas those that did not have it averaged 3.8 years. For every 100 pupils who had the program 35 dropped out of high school, whereas 55 of every 100 pupils who did not experience the program dropped out. Of those pupils who experienced the program 38 out of every 100 students attended college or took job training courses while of those pupils without the program, only 21 did so. Clearly, the research underscores the importance of making a commitment to public Kindergarten programs.

In summary, we wish to express our appreciation to the members of the school board, the teachers, pupils and citizens for the cooperation exhibited during the past year. We look forward to a long and productive relationship in which our mutual goals will continue to be the best possible education for our young people.

Respectfully submitted,

Barry L. Clough
Superintendent

MINUTES OF THE MEETING OF THE STRAFFORD SCHOOL DISTRICT

March 1 and 8, 1983

The annual meeting of the Strafford School District was called to order at 7:00 P.M. by Moderator David Meserve.

A motion was made by Tyler Brown to postpone the meeting until 7:30 since it had been announced as such in a number of places. The motion was seconded and defeated by a show of hands vote.

The Warrant Articles were read as posted.

ARTICLE I. Christine Bozak moved to accept the reports of agents, auditors, committees or officers chosen as printed in the Annual Town Report of Strafford. This was seconded. Martha Connelly gave a brief report on the findings of the School Study Committee appointed by the Board as voted at the last School District Meeting. The final conclusions of the committee were read. It was voted in the affirmative to accept article one as moved.

ARTICLE II Tyler Brown moved that the school district

raise and appropriate the sum of nineteen thousand dollars (\$19,000.) for the lease/purchase of two portable classrooms for use in special education and as a library, or for any other educational purpose. The motion was seconded.

The discussion following included the size and possible location of these units, a breakdown of the costs per year in the lease purchase plan and total cost if unit was purchased. Mr. Brown stated this was a temporary measure until adequate planning for present and future needs can be done. The possibility of the town voting next week to move the selectmen's office from the school and thereby freeing that space for school use was also discussed. A lengthy debate followed regarding actual space needs of the school as seen by the School Board, parents, and townspeople. The present lack of a library and the facilities for special education were topics for many questions. Present accommodations and possible future solutions were also discussed.

Moderator David Meserve at this point introduced a petition that this article be voted on by secret ballot.

Further discussion included the planning of the present school budget, the impact on taxpayers of this article and other fiscal considerations. The question was moved by Lester Huckins. This was seconded and voted in the affirmative.

A secret ballot was taken with officers of the checklists in attendance. The polls were declared opened at 8:08 P.M. The polls were declared closed at 8:30 P.M. 106 votes in the negative, 69 votes in the affirmative. The motion was declared defeated.

ARTICLE III Tyler Brown made a motion that the school district raise and appropriate the sum of five thousand dollars (\$5,000.) to establish a capital reserve fund for future capital improvements to the school.

At the advice of School Superintendent, Barry Clough, Mr. Brown then added to the article "in accordance with the provisions of RSA:35." This was declared necessary to make the article in accordance with the state law governing capital reserve funds.

The motion was seconded. The Moderator read the motion with the addition. A voice vote was declared undecided. A standing vote was taken by the officers of the checklist. The motion was declared voted in the affirmative by a vote of 94 in favor - 37 opposed. The motion was carried.

ARTICLE IV The Moderator read the article as printed. Mr. Clough recommends that it be changed to state "at the end of the 1982-83 school year".

Lester Huckins moved that the question be indefinitely postponed. The motion was seconded and a brief discussion followed regarding use of unex-

pended monies at the end of the school year to reduce the following year's school taxes. It was voted by voice vote in the affirmative to postpone article four.

A motion was then made by Martha Connolly to reconsider due to misunderstanding on the vote by some voters. This was seconded. It was declared legally acceptable to reconsider at the discretion of the Moderator. Mr. Meserve then explained the question again. The motion to reconsider was defeated.

ARTICLE V Erma Clark moved the district raise and appropriate the sum of \$681,473.00 (which includes the \$5,000. capital reserve fund) for the support of schools, the salaries of school district officials, and for the payment of statutory obligations of the school district. The motion was seconded and discussion followed regarding possibilities and implications of a deficit budget for the school year. It was stated by school board spokespersons that this was a "bare bones" budget which should avoid an unnecessary surplus at the end of the school year but has enough flexibility for some unexpected costs should they arise.

Mr. Fistere moved the question and the motion was carried by an aye/aye vote.

ARTICLE VI The Moderator read the article as printed. After a discrepancy was corrected in the stated number of high school students we have in the Town of Strafford, the question was voted in the affirmative.

ARTICLE VII A motion was made and seconded to table article seven and carried by an affirmative vote.

ARTICLE VIII The Moderator read the article as printed.

Ken Constantine moved to introduce article two again, ammended to be contingent on the decision made next week at Town Meeting regarding the relocation of the Selectmen's office. This was ruled out of order because no money can be raised under this article.

Paul St. Clair made a motion to direct the School Board to pay the difference in tuition costs for those high school students attending Coe-Brown Academy. The difference is \$211. per pupil or \$4,222. for a total cost which would be paid by these students' parents next school year. Discussion followed including if the proposed budget would be able to cover this additional cost; why there are tuition differences between Spaulding High School, Dover High School, and Coe-Brown Academy; and what the options are for attending a specific one.

The motion was seconded and defeated by a voice vote.

A motion was made, seconded and carried to adjourn.

Moderator David Meserve declared the meeting adjourned at 9:30 P.M.
